**Let's Keep Everyone Safe this Harvest**

Harvest can mean long hours and tight timelines as a year's worth of planning comes down to a few weeks. Let's work together to keep everyone safe in the field, on the road, and on the farm this harvest.

Remember, children and equipment don't mix. As much fun as it is for kids to help during harvest, their reaction times and perceptions of hazards are not the same as adults. Ensure children have a safe place to play on the farm this year.
