**For Immediate Release**

**August 23, 2016**

**Let's Keep Everyone Safe this Harvest**

Harvest can mean long hours and tight timelines as a year's worth of planning comes down to a few weeks. Let's work together to keep everyone safe in the field, on the road, and on the farm this harvest.

Remember, hearing protection could make the difference between hearing your loved one's laughter or not. Always wear appropriate hearing protection when working around equipment.
