FOR IMMEDIATE RELEASE

May 7, 2018

BE SEEN AND BE SAFE

Spring is here, and Alberta farmers and ranchers are back in the fields. This means there will be an increase in slow-moving equipment on rural roads, which can create a hazard for farm equipment operators and motorists.

Remember to share the road and be patient. Give slow moving farm equipment plenty of room to maneuver.

Let's keep everyone safe. For more travel tips visit AgricultureforLife.ca. We're In It For Life.
